

THE THREE JACKS

"An amazing Irish/Celtic/Folk/Rock band" playing "the foot-stomping, whiskey-drinking, Miami-style Irish party music your Guinness dreams are made of" says Jacob Katel at *New Times*. The Jacks' last album, *Irishwherty Last & Misfortune*, "kicks and bounces like a hurley swinger after a bucket of Jameson." This is "music the Pogues wish they'd written," writes Greg Baker at *New Times*. High praise indeed! The Jacks - Henk "Jack" Milne, Jack Shawle, Jack Stamales, Diane Ward and Debbie Duke - take the last 400 years of Scottish and Irish traditional tunes, fold in new songs from their "catalog of 18th century folk tunes we wrote last week," turn it all into rock-and-roll, and leaven the whole heady brew with rip-out, stomping, fiddle break-downs. From pubs to clubs to concert halls, at home and abroad, The Jacks have never been known not to blow the roof off the house! Much more at www.threethreejacks.com.

THE BREFFNI DANCERS

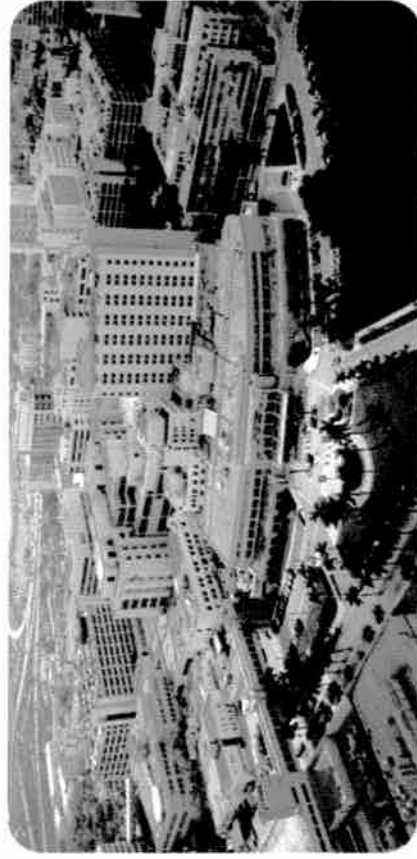

Florida's Breffni Academy of Irish Dance has been turning out step-dance champions since 1993, including Regional Champions, a North American Champion, an All-Ireland Champion and a Great Britain Champion. Three Breffni stars are dancing with The Jacks tonight. Carolyn Ho has competed at the U.S. Nationals and has qualified for the World Championships in Ireland. Cristina Rodriguez has ranked as No. 1 in Florida for four years and has qualified for the World Championships three times. Our youngest dancer, Kiera Daley, has represented the U.S. at the World Championships on several occasions, is ranked No. 1 in Florida, fifth in the U.S., and is among the top fifty Irish step-dancers in the world. In 2008, International Irish Dance Magazine named 17-year old Kiera a "Rising Star." For more, visit www.breffniacademy.com.

Tonight's Guest Hosts:

CBS4 Weather Anchor, former Miss Florida, and Off-Broadway Star, Lissette Gonzalez. Mega-multiple award-winning Director of Stage and Screen, GableStage's Joseph Adler.

Jackson Memorial Hospital

Jackson Memorial is one of the largest public teaching hospitals in the U.S. It delivers health-care to all of Miami-Dade's residents, regardless of ability to pay. Its campus comprises many specialty clinics with international reputations for excellence, such as the Ryder Trauma Center and the Bascom-Palmer Eye Institute. It is the major teaching facility of the University of Miami Miller School of Medicine, many of whose doctors are on the list of The Best Doctors in America. In 2009, Jackson once again earned its ranking as one of "America's Best Hospitals," by *U.S. News and World Reports*.

Why should you give to support Jackson? Put at its most simple: when your health is in really serious danger, when you need cutting-edge treatment, when you are in real need of the best, Jackson is the place to go. Many of the donors who gave so generously to sponsor this night's show know that only too well, and have their own personal reasons to be grateful for the doctors and staff at Jackson Memorial. Please know that when you walked in the door tonight, all costs of this show had already been covered by our sponsors, and therefore every dollar you donate will go directly to the cause. So, please give generously. Your donation is a wise investment. This is a community treasure.

The Jackson Memorial Foundation (JMF) is the principal source of fundraising for Jackson Health System (JHS), seeking private philanthropic funds to improve the system's facilities and to support its priority projects. For further information call Jackson Memorial Foundation at 305-355-4999 or visit www.jmf.org.
