Dear Mr. Panter:

On behalf of the Miami-Dade Commission on Ethics and Public Trust, thank you for your participation in Ethical Governance Day in Miami-Dade County on October 22, 2013.

The day was very successful, including over 300 volunteers who spoke at more than sixty schools in Miami-Dade County on civic participation and the importance of promoting ethics in government. Your generous assistance in making this a successful event merits special commendation. We have received many messages of appreciation and congratulation from those whose classrooms were included. This project could not have succeeded without the participation of many caring and knowledgeable community-minded citizens.

We hope that you will be inspired to continue your involvement in efforts to promote greater community awareness and ethical governance.

Sincerely,

Joseph M. Centorino
Executive Director and General Counsel
